R2R Greenspace - **WE CARE!**

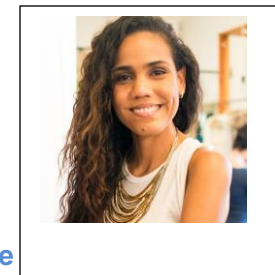

by reading

The story is about:

Hatch is a competitive little Leatherback Turtle. He and his tiny hatchling brothers and sisters are racing wildly to crack out of their eggs and be first to the sea. Crisis arises as the nearby river breaks its banks, flooding the nest. Narrated by Hatch, this charming story teaches the young turtles a lesson about teamwork - they discover that unless they work together, no one will get out of the crumbling mess!

Jeunanne Alkins is a creative designer, an author and illustrator committed in sharing positive stories about the Caribbean experience and protecting the environment of Trinidad and Tobago. She is bursting with talent and joins Bridge Foundation as a literacy – creative
